Art no: C-7070

Art no:	C-7070
Size:	8-11
Materials:	Cow hide leather
Packaging:	12/60
Standard:	EN420, EN388:2016
Category:	II

CATEGORY: II

EN420

EN388:2016

2122X

Properties

Half-lined classic work glove in cow grain leather. Artery protection and knuckle reinforcements in leather. Upper hand and rubberized collar in thick cotton. The durable leather makes this glove last considerably longer than traditional leather gloves. The glove suits the heavy industry well, where durability and quality are important.

Material information

The gloves are sewn in Cow hide leather with upper hand in cotton. Half lined with a cotton liner.

Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional test) P if approved. Evaluate the importance of each of the properties and how it applies to you as a user.
