

## Blushield

Art no: HV-LB043

Art no:	HV-LB043
Size:	7-12
Materials:	Kevlar®, Latex
Packaging:	12/120
Standard:	EN420, EN388:2016
Category:	II

**Kevlar®**

## Properties

Knitted cut resistant glove (Level D) in Kevlar® giving excellent protection against sharp edges and objects. High performance latex coating in the palm and over the fingertips. The crinkled surface gives exceptional grip in both dry and wet conditions. Fully coated thumb for increased durability.

## Material information

The gloves are sewn in Kevlar® and coating in Latex

## Technical facts: Intermediate design (category II)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN388:2016 test methods and certified by a notified body. The testing is done for abrasion resistance, cut resistance, tear resistance, puncture resistance, extended cut resistance and impact protection. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4, puncture resistance 4, extended cut resistance F (X if not applicable) and impact protection (optional test) P if approved.

Evaluate the importance of each of the properties and how it applies to you as a user.

How to read the pictogram:

EN388:2016

abc def

Abrasion resistance	4
Cut resistance	5
Tear resistance	4
Puncture resistance	4
Extended cut resistance	F
Impact protection (optional)	P
