|--------------|---------------------------------------|
| Art nr: | PR-740 |
| Storlek: | 8-12 |
| Material: | Premium PU, Hyprene®, Neopren, Fleece |
| Förpackning: | 12/120 |
| Standard: | EN420 |
| Kategori: | I |

Properties

Extremely comfortable assembly glove in ergonomic slim-fit design for a superior fit. Premium PU synthetic leather in the palm with a ribbed pattern for increased grip. Special pad embedded in the palm that minimize fatigue and give anti-vibration properties for maximum user comfort. Half lined with fleece. PU reinforcements over fingertips and full index finger for increased durability. Upper hand in superstretch Hyprene® fabric. Elastic seam over the wrist for a safer fit. Broad, elastic neoprene cuff with reflector piping.

Material information

The gloves are sewn in high quality PU.

Technical facts: Simple design (category I)

These gloves are to be used when there is a minimal risk for the user. General requirements for safety gloves are fixed by the CE-standard. The requirements concern purpose, construction, product information, size, chrome contents (max 2 mg Chromium VI per kg) and PH-value, which must be in the range of 3,5 -9,5.
