

## Tiger

Art no **S-1101**

Sizes: 7-11

Materials: Digital suede, Spandex, Polyester mesh

Package: 12/120

Chrome free

Synthetic leather

## Properties

Assembly glove with the inner hand in digital suede and the upper hand in spandex. Equipped with a large area air vent mesh at the upper hand, providing excellent ventilation properties that prevent perspiration. Reinforced index finger and thumb for increased durability. An elastic fabric between fingers for a better fit. Foam pads in the inner hand give higher comfort and provide shock absorption. Double elastic seam at the wrist for a safer fit. Recommended for people sensitive to chromium.

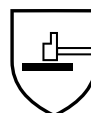

## Material information

The glove is sewn in synthetic suede in the palm. Upper hand in spandex with a polyester mesh.

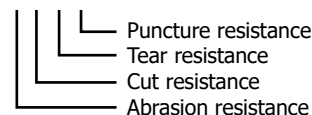

## Technical facts: Intermediate design (category 2)

For areas of specific risks, i.e. mechanical risks. These products will have been CE type tested against European EN 388 test methods and certified by a notified body. The testing is done for abrasion, cut, tear and puncture resistance. The maximum score for each level are; abrasion 4, cut resistance 5, tear resistance 4 and puncture resistance 4. Evaluate the importance of each of the properties and how it applies to you as a user.
